

# SIO Meal Party Agreement Policy

- Stipend and Grocery Purchase:** As a host of a SIO Meal Party, you will receive a stipend of \$150 to cover the cost of groceries for your guests. This stipend is provided by the Building Decarbonization Coalition - The Switch Is On. You are responsible for purchasing the necessary groceries and ingredients. The stipend will be provided to you 2-3 business days after your event has concluded, and SIO staff has been able to verify your photos and social media upload. Please refer to clause 4 for more information.
- Promotion of The Switch Is On (SIO):** You agree to actively promote The Switch Is On initiative during your Meal Party. This includes sharing information about the benefits of induction cookware and other clean electric appliances/equipment (heat pumps, solar, battery storage, EV, etc), and its positive impact on energy efficiency, sustainability, and decarbonization. You may also distribute SIO collateral, such as brochures or pamphlets, to raise awareness among your guests.
- Cooking on an Induction Stove:** During the Meal Party, you agree to use an induction stove to prepare the dishes in front of your guests. This will serve as a demonstration of the benefits and efficiency of induction cookware.
- Photographs and Social Media:** You agree to take photographs of your Meal Party event and upload them to your social media accounts. These photographs should showcase the use of induction cookware and include your guests enjoying the meal. Ensure that these photos highlight the positive aspects of induction cooking. Additionally, you should tag The Switch Is On in your social media posts to help generate awareness and drive engagement.
- Guests and Attendance:** It is your responsibility to invite guests to your Meal Party. The number of guests should be reasonable to ensure an enjoyable experience for everyone. Please keep in mind that the stipend provided is intended to cover the cost of groceries for your guests.
- Event Feedback and Reporting:** After hosting the Meal Party, you agree to provide feedback to The Switch Is On. This may include sharing your experiences, any challenges faced, and the overall impact of the event. You may be asked to fill out a brief survey or provide a short written summary.

By hosting a Meal Party and accepting the stipend, you acknowledge that you have read and understood the terms and conditions outlined in this agreement. You agree to fulfill your obligations as described and to represent The Switch Is On (SIO) initiative positively during the event.
